SECURITY GUARD

SERVICES

Armed and Unarmed

An armed security guard, or armed security officer, is a security professional who is trained to use firearms and other weapons to protect people, property and premises, patrolling designated areas, responding to incidents, and ensuring the safety of individuals and property.

KEY RESPONSIBILITIES AND DUTIES

- **Protecting People and Property:** Armed security guards are responsible for safeguarding individuals, property, and facilities from potential threats and risks.
 - Patrol and Monitoring:** They patrol designated areas, monitor surveillance equipment, and inspect buildings to identify and prevent security breaches.
 - Responding to Incidents:** Armed security guards are trained to respond to emergencies, alarms, and other security incidents, taking appropriate action to de-escalate situations and ensure safety.
- **Controlling Access:** They control access to buildings and facilities verifying identities and ensuring only authorized personnel enter.
- **Maintaining and Securing Weapons:** They are responsible for the proper handling, storage, and maintenance of their assigned firearms and other weapons.
- **Reporting and Documentation:** They document security incidents, observations and activities, preparing reports as needed.

Skills and Qualifications: Responsible for protecting life and property, conducting patrols, managing access control, responding to emergencies

- handling firearms safely, and reporting incidents, with strong observational skills
 - physical fitness, firearm certification, and a clean background.
- Physical Fitness:** Armed security guards need to be physically fit and capable
- of handling the demands of their job, including patrolling and potentially engaging in physical confrontations.

Firearms Proficiency: They must be proficient in the handling, use, and maintenance of firearms, as well as knowledgeable

- about relevant laws and regulations.

Communication and Interpersonal Skills: They need to be able to communicate clearly and effectively with the public, colleagues, and law enforcement agencies.

- **Problem-Solving and Decision-Making:** They must be able to think quickly and make sound decisions in stressful situations.
- **Observational Skills:** They need to be observant and able to identify potential threats and suspicious activity.
- **Training and Certification:** They typically require specialized training and certification in security procedures, firearms handling, and first aid.
- **Good Moral Character:** They need to possess a good moral character and a strong commitment to safety and security.
